

## ANNUAL INDEX TO CONTENTS

VOLUME XCIII—January 1 through June 15, 1951

First figure is issue number; figure after colon is page.

## GENERAL

|   |   |
|---|---|
| Airplane Dusting  | 8:12  |
| All-America Flower Selections for 1951                  | 9:8   |
| All-America Rose Selections for 1952                    | 11:22   |
| All-America Vegetables                                  | 9:8   |
| Appraising Growing Nursery Stock                        | 6:22  |
| Baling Machine  | 5:82  |
| Berries, Uncommon                                       | 2:40  |
| Bookkeeping for the Landscape Nursery                   | 1:12  |
| Canning Machine   | 8:8   |
| Climate Control in the Nursery                          | 6:22  |
| Crab Apples, Flowering                                  | 4:14  |
| Evergreens, Winter Color In                             | 5:26  |
| Experiment Garden for Central California                | 8:44  |
| Express Ralse   | 9:6   |
| Farm Values Hit Peak                                    | 11:35   |
| Fig, The  | 11:18   |
| Fruits for 1950, New Minnesota                          | 8:13  |
| Fumigants, Soil   | 6:11  |
| Fumigatorium, Nursery                                   | 11:12   |
| Ginkgo Biloba from Cuttings                             | 2:7   |
| Government Orders                                       | 11:16   |
| Grafting in the Coldframe                               | 2:12  |
| Holly, Growing Methods for Salable                      | 10:11   |
| Humidity Control  | 8:11  |
| Ice Injury to Trees                                     | 2:13  |
| Landscape Planting Costs, Determining                   | 2:10  |
| Lawn Maintenance  | 4:14  |
| Layering  | 10:20   |
| Mist Blowers, Use of                                    | 4:34  |
| Multiflora Rose   | 8:28  |
| Ornamentals, Newcomers to Northern                      | 7:11  |
| Plant Patents, New 1:61; 2:42; 5:58; 7:50; 8:39         |   |
| Planter, Build Special                                  | 10:13   |
| Planting Machinery                                      | 10:13   |
| Price Control Exemption                                 | 8:10  |
| Propagation, Pointers on                                | 2:12; 8:11; 10:13   |
| Propagation of Dwarf Fruit Trees                        | 2:44  |
| Propagation of Woody Ornamental Plants                  | 4:23  |
| Rail Freight Increases Granted                          | 7:32  |
| Seed-cleaning Studies at Ohio                           | 9:9   |
| Shipping Zone Map for Mail-order Men                    | 10:12   |
| Soil Substitutes Save Shipping Weight                   | 1:17  |
| Sprays, Dormant Oil                                     | 6:30  |
| Storm Damage to Trees, Income Tax Deduction             | 4:54  |
| Taxus, The Best in                                      | 6:13  |
| This Business of Ours                                   | 1:28; 2:40; 5:26; 6:22; 7:28; 8:28; 9:18; 10:20; 11:18; 12:34 |
| Tree Maintenance  | 2:13; 4:54; 6:30; 8:18; 10:24; 12:44                          |
| Wage-Price Controls                                     | 6:6   |
| Watering Devices for Propagating Benches, Semiautomatic | 6:7   |
| Weed Control, Chemical                                  | 4:15; 8:13  |
| Weed Control Equipment Tests                            | 9:44  |
| Weed Seeds, Killing                                     | 8:10  |

## COVER ILLUSTRATIONS

|                         |       |
|-------------------------|-------|
| Akebia Quinata          | 6:39  |
| Amorpha Canescens       | 3:33  |
| Asimina Triloba         | 9:10  |
| Clethra Alnifolia Rosea | 5:59  |
| Cotoneaster Adpressus   | 4:52  |
| Euconymus Saccalinensis | 10:29 |
| Euconymus Yedoensis     | 7:51  |
| Franklinia Altamaha     | 12:14 |
| Hedera Helix Baltica    | 2:55  |
| Hypericum Buckleyi      | 11:23 |
| Hypericum Prolificum    | 8:58  |
| Taxus Media Hatfieldi   | 1:56  |

## PLANTS

|               |                                    |
|---------------|------------------------------------|
| Achillea      | 8:25                               |
| Acorus        | 2:60                               |
| Adonis        | 4:40                               |
| Allium        | 3:28                               |
| Anacyclus     | 10:57                              |
| Anemone       | 3:29                               |
| Antirrhinum   | 1:17                               |
| Arenaria      | 10:56                              |
| Arnica        | 4:44                               |
| Asclepiodora  | 9:14                               |
| Bupleurum     | 12:18                              |
| Camellia      | 10:20                              |
| Campanula     | 1:19; 1:63; 1:64; 8:25; 9:14; 9:57 |
| Centranthus   | 5:15                               |
| Chrysanthemum | 1:57; 5:18; 11:14                  |
| Cunninghamia  | 4:42                               |
| Draba         | 9:16                               |
| Gentiana      | 7:65                               |
| Geum          | 10:18                              |
| Globularia    | 5:15                               |
| Helenium      | 8:24                               |
| Helianthus    | 1:62                               |
| Heliopsis     | 8:26                               |
| Hepatica      | 3:51                               |
| Heracleum     | 8:24                               |
| Heuchera      | 9:17                               |
| Hybanthus     | 1:64                               |
| Iberis        | 2:67                               |
| Ipomoea       | 11:15                              |
| Knapthofia    | 4:16                               |
| Lepachys      | 2:20                               |
| Liatris       | 5:67                               |
| Lilium        | 4:36                               |
| Linum         | 7:19                               |
| Liriope       | 2:68                               |
| Lupinus       | 5:15                               |
| Ononis        | 6:80                               |

|                            |  |
|----------------------------|--|
| Papaver                    | 6:16   |
| Pelargonium                | 8:22   |
| Petasites                  | 6:18   |
| Petrophylum                | 2:20   |
